Trip Highlights

The Northwest Passage invites you to join us on an extraordinary sailing, kayaking and hiking adventure in Turkey. The warm and beautiful Turquoise Sea off the coast of Turkey is an adventurer's dream come true. With countless historical sites surrounded by some of the world's most attractive waters, we will embark on a journey that is sure to exceed your every expectation.

Our adventure will start and finish at the Dalaman Airport in Turkey. We will spend 6 nights on board a luxurious Turkish Gulet that stands 100+ feet long and includes our own gallery and cook. A fleet of sea kayaks will also be carried on board the Gulet. You will have daily paddling excursion along the coastline. Hikes including secret champagne sunsets, will also be a regular part of our journey. Our last night will include a celebratory dinner in Marmaris where a traditional toast and belly dancer will highlight our week on the water.

Ephesus and Istanbul Add-on (3 days and 3 nights)

Spend one day exploring Ephesus, the best preserved classical city in the Mediterranean. As a strategic gateway to the Eastern world, this Ionian refuge grew to be the second largest city in the Roman Empire, the site of a Christian shrine and one of the seven wonders of the ancient world. Spend the next two days exploring the ancient city of Istanbul. Its history tracks back from Byzantium to Constantinople to its place at the head of the Ottoman Empire. Ask our office for cost and planning.
